TOWN MANAGER HIGHLIGHTS

Have you ever thought of serving as an elected official? I can speak from personal experience that it is a rewarding way to serve your community. Getting on the ballot is simple; you stop by the Town Clerk's office to pick up nomination papers and then all you need is 25 signatures from registered voters in Wells. Once you return the papers by 4:00 pm on April 9, your name will be on the June 8, 2021 Town Meeting ballot. Current open seats in the June election are: 2 [Select Board](#) members, 3 Library [Board of Trustees](#) members, 2 Wells Sanitary District [Board of Trustees](#) members, and 1 WOCSD [School Committee](#) member.

The Town of Wells is seeking volunteers to serve on the Comprehensive Plan Update Committee and on the Energy Committee. If you are interested, please visit our [website](#) for more information or contact Cindy Adamsky at cadamsky@wellstown.org.

The FY2022 budget process is wrapping up soon. The Select Board will hold a public hearing on the proposed budget on Tuesday, April 6 at 6:00 via Zoom. You can read the proposed budget on our [Budget Hub](#) and watch past Budget Review Committee meetings on the Town's [Facebook](#) page.

Board of Selectmen @6PM

PARKS & RECREATION UPDATE

We are very excited to offer Spring programs and Summer Camp once again this year! We are currently gearing up for our Spring season of Lacrosse, Archery, Track, Running Club, Biking club, and the continuation of our Before and After School Care. We will be holding our annual Easter Egg Hunt on April 3rd and can't wait for the special guest appearance of the Easter Bunny! Registrations will began soon for Summer Camp! We are currently offering an outdoor only camp due to COVID 19 and restrictions from obtaining an indoor space at this time. Superintendent Jim Daly is working with us for space and will let us know as soon as he can if he can open up some space in the school for our camps.

Our Parking lot project is under way with the bid winner of US Site Solutions! The trees have been cleared and grubbed and are now awaiting for the next stage of the project! The extra lot will yield 62 more parking spaces for our patrons during all of our events! We are now planning for our next big upgrade of the tennis courts and playground area during the next couple of years. Despite a challenging year of the pandemic we have seen many people utilize the park, playgrounds and trails during these difficult times as a way to get outside and enjoy the fresh air.

We look forward to an exciting Spring and Summer and welcome the chance to serve the community in outdoor activities once again!

HARBOR UPDATE

Erin Gott, the new seasonal assistant has completed his Training with the Maine Harbormaster Association and has started working part-time with Myself and Assistant Harbor Master Jim Black.

Although the first part of March was rather cold, we are now in full swing preparing for the upcoming season. The launch floats have been launched and secured and we are prepping the Skiff floats for launch and placement next week. The cross-over docks and ramp at the Eastern shore will be installed in early April and be ready for the official start of the season on April 15th.

It's time to get those boats uncovered and start looking forward to another great Summer.

HUMAN RESOURCES

The Town of Wells is currently recruiting summer 2021 staffing! If you are interested, or know of someone who is, visit our website at www.wellstown.org for a complete list of vacancies.

Vacancies include: Lifeguards, Lifeguard Captain, Community Service Officers, Parking Lot Attendants, Recreation Camp Counselors, Groundskeepers, etc.

Did you know? Every Town of Wells employment opportunity is posted on Facebook! Please LIKE US at <https://www.facebook.com/townofwellsmaine>.
