The Town of Wells operates a beach program, which is funded by parking lot fees. The program provides for the paving/maintenance of the parking lots, beach cleaning service, restroom facilities and their maintenance/upgrade, and lifeguard staffing.

This policy has been established to ensure continued fairness and control with beach parking lot passes.

SECTION 1 - DEFINITIONS

Taxpayer Seasonal Beach Sticker – A town issued sticker to all taxable resident properties in Wells. Tax bill account number and parcel number is required for All Stickers.

Resident -- A resident of the Town of Wells might not be a real estate property owner but does live in Wells. They must show proof of vehicle registration in the Town of Wells to be eligible for a taxpayer beach pass.

Non-resident -- A non-resident is any person who is neither a property taxpayer nor a resident but who is a visitor or guest in the Town of Wells. A non-resident is not eligible for a taxpayer seasonal beach sticker but may obtain entry to the parking lots by purchasing a ticket via the Pay and Display meters located at all five municipal beach parking lots.

Real Estate Taxpayer -- Owns real estate in the Town of Wells as listed on the Assessor's April 1st assessment tax records.

Proof of Ownership- Proof of ownership includes but is not limited to:

- For Residential Properties - a vehicle registration document with the home address on the registration which matches the mailing address for the Wells tax bill.

- For Leased vehicles - more often than not the vehicle registration on a leased vehicle is in the name of the leasing company. In order to provide proof of ownership, a taxpayer should produce one or more of the following:
 - lease agreement
 - receipts for oil changes/vehicle maintenance
 - insurance cards
 - These documents should have the taxpayer's name and home address and the vehicle identification number (VIN) on them. This ties the taxpayer to the vehicle versus just the leasing company's name.

- For Company Owned Vehicles -
 - If in the name of a leasing company, the rules stated in Leased vehicles above apply
 - If in the Company name a business card with the Company's name and the taxpayer's name on it is required
 - Or a letter from the Company that includes the taxpayer's name and indicating that this vehicle has been provided to the taxpayer by the Company

- For Properties held in Trust, LLCs, or Corporations –
 - Proof of ownership in the trust, LLC, or corporation

Condominium Ownership -- An owner of a condominium in Wells is considered a real estate property owner and is entitled to taxpayer beach stickers as described above.

Multiple Ownership of Real Estate Property -- The owner(s) of multiple real estate properties (condominiums, houses or vacant land) jointly or individually as listed in the town Tax Assessor's records

Time Share Ownership -- Each owner of a week or multiple weeks of time share property shall be entitled to purchase a week's pass for beach parking for the flat fee of \$40.00 per vehicle for each week that they are occupying the time share unit.

Odd/Even Year Time Share Ownership -- Each owner of a week or multiple weeks of time share property shall be entitled to purchase a week's pass for beach parking for the flat fee of \$40.00 per vehicle for each week that they are occupying the time share unit.
